

<b>Checkliste AC-Combiner</b>						Date	
Customer							
Contact		Phone number					
Requested delivery date							
Project / Country		Quantity					
<b>General information:</b>							
Rated voltage (Un)		230/400 VAC		462/800 VAC		277/480 VAC	
Net configuration		TNS		TNC		TNC-S	IT TT
Temperature range				Radiation values			
Surge protection		No		Type 1		Type 2	Type 1,2,3
<b>Input / Protection of inverter:</b>							
		1		2		3	4
Producer / Type							
Output / kVA							
Quantity per GAK							
Fuse / A							
<b>Connection line:</b>							
Cabletyp							
Conductor		CU / AL		CU / AL		CU / AL	CU / AL
Connection		Bolt		Bolt		Bolt	Bolt
		Frame		Frame		Frame	Frame
Cross-section							
Diameter							
Wire type		Singlecore		Singlecore		Singlecore	Singlecore
		Multicore		Multicore		Multicore	Multicore
<b>Output / Fuse- Switchgearcombination GAK :</b>							
	NH-0/1/2/3		None		Quantity		Fuse value
Connection Cable	Conductor			Bolt	Single core		Crosssection
		CU / AL		Frame	Multicore		Diameter
Outgoing position		left		middle		right	k.A.
<b>Enclosure:</b>							
IP-Class		IP44		IP54		IP65	IP66
Installation	In			out			
	Frame/Wall			Field version (plinth)			
	shaded			unshaded			
	Freely accessible (public)			Not accessible (fenced etc)			
<b>Further instructions / Requirements:</b>
